Dear Mr. Stewart:

Your request was forwarded directly to our Donations Manager who reviewed it and responded accordingly. The following is the response:

I am writing in response to your request for funding towards building the canopy at the entrance of your Community Centre. While we believe your project to be very worthwhile, we regret that we are not able to provide support at this time.

We have an outstanding pledge with the Jamaican Canadian Centre, specifically for the Building to Serve campaign, of \$15,000 payable over 3 years. As you can appreciate, we receive numerous requests for funding from various organizations, so we are unable to lend additional funding to a project we are currently supporting.

Thank you for your continued interest in Royal Bank and we wish you every success with the project.

Sincerely,
